- b) Football – We lost in the Semi Finals but our team was declared the best team and a special mention of Rahil Nafees who saved the team 6 penalty shootouts which was commendable for this newly formed Junior CIS Football Team.

The Abhivyakti Fest was a brilliant platform for all children to showcase their talent and put their skills to the test.

Our School Football Team comprising of only class 4's and 5's put up one of the best performances seen in the entire Football Tournament.

All other schools were in disbelief with the standard of football our children played. Special mention must be made of our Goalkeeper Rahil Nafees who saved six penalties in the penalty shootout, Veer Nadir Babaycon who was undoubtedly the best defender in the tournament, and Finally our Captain Yashvardhan Agrawal who had nothing short of a perfect tournament.

Although being the Best Team in the tournament, we lost in the Semi-finals due to a penalty shootout.

I am very proud of each and every boy in the team, they stuck to the plan and executed every detail we worked on perfectly.

Their discipline on and off the field was very good and they kept the school's name flying high.

I am very happy and impressed with their performance. The first day I saw them play when I joined in July, and the game they played in the Fest in November was unbelievable. They have developed in a very short span of time very well and I can say with Guarantee, that the Future of our School Football Team is very good.

I would like to thank the school's management for giving me this opportunity to work with these children. They have given me great joy and have made a special place in my heart.

I wish the boys and the school all the very best in all that we do.

Thank you and Best Wishes,  
Yan Law,
